

Quality Assurance Certificate

This is to certify that

Tucker Electrical

Has successfully completed the Master Electricians Quality Assurance Programme and will:

- Operate their business with courtesy, integrity and provide clients with good service and quality at a fair cost.
- Always maintain the highest standards of technical and business practice.
- Wherever possible, will be available to offer experience to assist Master Electricians and the Branch in its endeavours.
- Maintain the values and standards of Master Electricians and guard against the misuse of the Master Electricians brand.
- Agree that in the event of breaching this Code of Ethics, will accept any disciplinary measures imposed by Master Electricians.
